Measurable benefits

Involving your school with EDT will enhance;

- Curriculum delivery and student achievement
- STEM careers awareness
- Links with industry and higher education
- Professional development of teachers

"The EDT has helped confirm that science and engineering will be a part of my future in some way"

Aseel Perera, Go4SET pupil

EDT will provide nearly 30,000 young people with a STEM experience this year

"The EDT provides real education, teaching youngsters about teamwork and project planning – things that studying for exams just do not address. This organisation is doing so much to inspire the scientists and engineers of the future"

Alison Camacho, Clifton High School
