Lloyds Register Educational Trust

The Lloyd's Register Educational Trust (The LRET) is an independent charity working to achieve advances in transportation, science, engineering and technology education, training and research worldwide for the benefit of all.

## Reasons to get involved...

### Fast track your future career

Give your CV the competitive edge – improve your employability skills and get early access to future employers.

### Improve your prospects

A year's degree related work will give you real business experience, help you get a better degree and will set you up for life with contacts, experience and opportunities.

### Get paid

You get a salary from the company and through YINI you get one-to-one mentoring, leadership training and an optional maths course.

## Measurable benefits

96%  
of YINI  
students are  
employed or  
in academia

99%  
said YINI had  
a positive  
impact on  
their career

*"I highly recommend that students take a working gap year – they tend to get better jobs and are ultimately better off financially, especially in the current competitive job market"*

John Proust, Project Manager, Oxand
